

Dual Language Program Parent Night Feedback

- [He] comes home telling me new words/phrases and songs in Spanish everyday
- [He] is very sociable and expresses himself better when he speaks.
- I really love this program. [He] is learning a lot and loves to come to school.
- [He] feels sure about sharing words with kids in the neighborhood and I imagine that he does with his classmates in English as well.
- He is very happy because he has learned many new things.
- The program helps us in both cultures to be productive
- Excellent communication with us. Word lists are great... books, songs, poems in English and Spanish
- She is learning two languages
- [She] is learning a lot of Spanish words. She enjoys all the activities. We like when she brings her weekly Spanish book home. [She] is also making new friends.
- Loves her teachers, has made friends, is happy to come to school, is singing songs & using Spanish words at home.
- I have enjoyed everything. My daughter has been very happy and she enjoys learning new things and the interest that she has in school motivates me to have my kids continue studying.
- All of his learning is better. He is learning both Hispanic and American culture more. I understand and learn better both languages.
