

Randall School....

*Serving the Children and the Community Since 1922
School Year: 2009-2010*

Dear Parents,

This permission slip will cover many of the standard field trips our teachers and students take during the year. With this “generic” field trip permission form, we will not need to ask you every time for a separate permission slip. However, some trips will still need to have a specific permission slip. Specific dates of the events are found on our website in our monthly newsletters.

The trips covered by this permission form are:

Fox River Environmental Education trips

(Scheduled throughout the school year with particular dates listed on our activity calendar, monthly newsletters, and teacher newsletters)

Planetarium trips for students in all grades except fourth

(Horwitz Planetarium located at the Retzer Nature Center on County DT)

Run/Walk

(Tentatively scheduled for the second Thursday in May with a rain date the following Thursday – at Catholic Memorial)

May Basket Walk into the Community

(Scheduled for the first two weeks in May where homeroom classes walk into the community to deliver May baskets they have made)

School Picnic at Buchner Park

(Tentatively scheduled for Monday, June 7th with rain date on Tuesday, June 8th).

Caring Place trips by our Student Council

(Scheduled monthly beginning in October. Students will ride in parent and staff driven cars or walk).

To: My Child’s Homeroom Teacher(s):

Child’s Name _____ *Teacher Name* _____

Child’s Name _____ *Teacher Name* _____

Child’s Name _____ *Teacher Name* _____

I give permission for my son(s) and/or daughter (s) to go on the above school field trips during the 2009-2010 school year. I understand that for all trips except Student Council [2nd-6th], my child(ren) will be taking a school bus. For trips for Student Council, students will be riding in staff and/or parent driven cars. The dates of the trips will be in the school newsletters and found on our website.
